

Procedure Requests for Workshop- or Visitor Grant

1. Give type of activity
 - Workshop (max €5.000 per event)
 - Visitor to a "STAR-related" department / institute; i.e. all mathematics institutes/departments where stochastics research takes place (min. of 2 weeks stay; max €2000 per event)
2. Brief (max 500 words) description of the proposed activity
3. Budget plan for this activity
4. Date(s) on which this activity will take place
5.
 - a. A visit is preferably of benefit for multiple partners within STAR; indicate how/why.
 - b. A visit must last at least 14 days.Note that it is also possible to apply for an NWO bezoekersbeurs; it is even encouraged to do so while asking STAR for a guarantee
6. Explain why funding from STAR is essential for conducting this activity successfully (e.g. why can other funding not be used)

The Scientific Committee decides whether the request can be granted.
